Medhavi Skills University (MSU), established by the 2021 Sikkim Act and recognized by the UGC, offers industry-led, skill-embedded programs for better employment. Our tech-integrated, National Education Policy (NEP) 2020 aligned framework implements Outcome-Based Education (OBE) with competency-driven curricula, industry training, and innovative teaching. MSU collaborates with corporates on curriculum design, program delivery, and practical training.

Pravesh Dudani
Founder & Chancellor

Medhavi Skills University (MSU) exemplifies innovation and excellence, empowering the youth through our vision of tying education closely with employment and skill development.

Through the WISE initiative, we provide students with the unique opportunity to master industry-specific skills, gain practical expertise through on-the-job training and build a competitive edge in their chosen fields. Partnering with Skill India and NSDC, WISE delivers industry-driven training, with 60-70% of the curriculum focused on practical skills. This ensures students gain directly applicable expertise and recognized certification, boosting employability. For industry partners, WISE is more than collaboration; it's an investment in shaping a skilled workforce tailored to their needs, ensuring mutual growth and success.

About WISE

Work Integrated
Skill-based Higher Education

WISE (Work Integrated Skill-Based Higher Education) is an initiative by Medhavi Skills University (MSU) that combines industry-based training with academic programs, offering on-the-job training and apprenticeship opportunities, along with stipends, to empower students, enhance their employability, and bridge the gap between education and industry requirements.

Partners Speak

Mr. Jim Jacob

Co- Founder / Director at B4M & NHQ

We are associated with Medhavi Skills University for providing B.Sc, Diploma, and Certificate Programs in Audiography and Music Technology. What I truly appreciate about Medhavi Skills University is their unwavering support, not just for the entertainment industry but for industries across the board. Based on my experience as a music engineer and producer, practical experience is far more essential than theoretical knowledge for anyone entering this industry. MSU is making a remarkable impact by providing students with the opportunity to train alongside industry and sectoral partners.

Mr. Muhammed Abdussalam

Chairman - IGJ

Medhavi Skills University, as the name suggests is focused on skilling the youth of India. India is a largely populated country, with ample human resources, we have to focus on training, skilling, and empowering them. We are in the gem and jewelry sector with expertise in retail, wholesale, and manufacturing, now expanding into education. Over the past seven years, IGJ has successfully trained thousands of youth who are now making their mark across the globe. We are excited to collaborate with Medhavi Skills University to empower and upskill the youth of Sikkim. Together, we look forward to shaping a brighter future.

Mr. Himanshu Yagnik

COO - ZEE Learn Ltd. - ZICA

Animation is a growing industry, it has opened up a lot of venues for employment. Not only in the field of entertainment but also in direct business, companies are hiring people to live up to their animation demands. The sector is really heating up and to cater to this employment need, we have tied up with Medhavi Skills University. We are very excited about this partnership and we are sure that upskilling our students with a proper degree certification will not only help the students gain knowledge but also substantiate their knowledge.

Ms. Ritu Kochhar

Co-Founder & Director, NIFD Global

At NIFD Global, we've spent 28 years nurturing students as our most valuable resource, and partnering with Medhavi Skills University is a natural progression of this mission. The launch of SHINE showcased MSU's dedication to empowering students with future-ready skills, aligning with our values of innovation and imagination. Witnessing the vibrant energy of students, coupled with MSU's global collaborations, was truly inspiring. Gangtok's beauty and culture added to the experience, reflecting warmth and tradition. MSU's vision of imparting knowledge and skills as a launchpad for bright futures resonates deeply with me, and I wholeheartedly wish the team continued success and growth.

MSU in Association with Orane

presents

B.Voc Degree in Cosmetology

At Orane International, we believe that skilling is the key to unlocking a brighter future for India’s youth by providing them with better career opportunities. With this vision, Orane was founded in 2009 to empower aspiring individuals through skill-based education in the beauty and wellness sector. Today, we are India’s leading beauty and wellness education chain, committed to transforming lives through learning.

Since our inception, we have trained over 80,000 students, equipping them with industry-relevant skills and setting them on the path to success. With 120+ academies spread across 22 states in India and 2 international centers in Canada, Orane continues to expand its footprint as a trusted leader in the skilling sector.

Achievements & Recognition

Orane’s commitment to improving skills in the beauty and wellness industry has been recognized with several accolades

Association with MSU

Medhavi Skills University (MSU) and Orane International, an NSDC training partner, have joined forces to bridge the skills gap in the beauty and wellness sector. MSU will offer UGC-recognized B.Voc courses in Cosmetology and Makeup Artistry, alongside specialized degrees, diplomas, and certifications. This collaboration combines MSU's industry-integrated education expertise with Orane's practical training resources, creating programs tailored to the sector's needs. Incorporating the Recognition of Prior Learning (RPL) under the National Credit Framework, these courses enable professionals to earn credits, gain lateral entry, and advance their education and careers in a dynamic industry.

Pravesh Dudani
Founder & Chancellor, MSU

"The collaboration between Orane and MSU aims to offer a series of industry-immersive degree courses designed as per the National Education Policy (NEP) 2020 to foster employable skills. Up to 70% of the curriculum will be focused on the skill component and we shall integrate theoretical education with practical training. Orane will impart the practical training at their state-of-the-art training centers across over 120 locations in India. This collaboration will address the longstanding issue of unstructured employment plaguing the beauty and wellness sector"

"The partnership between Medhavi Skills University and Orane International will provide individuals with industry-relevant skills and a UGC approved work-integrated degree. Experienced professionals who do not have a certified degree will benefit from these courses through the National Credit Framework (NCrF), Recognition of Prior Learning (RPL), and lateral entry provisions."

Mr. Dinesh Sood

Co-founder and Managing
Director, Orane

Program Overview

What Are The Skills You Will Acquire?

Core Services:	Skin care, hair styling, makeup, nails, and spa therapy.
Specialized Skills:	Bridal makeup, hair coloring, spa therapies, and nutrition.
Consultation:	Personalized beauty plans with skincare analysis, hair diagnosis, and wellness recommendations.
Management:	Gain expertise in salon operations, team, and inventory.
Technology:	Operate facial machines, hair treatment tools, waxing techniques, and spa equipment.
Business Skills:	Excel in digital marketing, finance, and start your own beauty-related business.

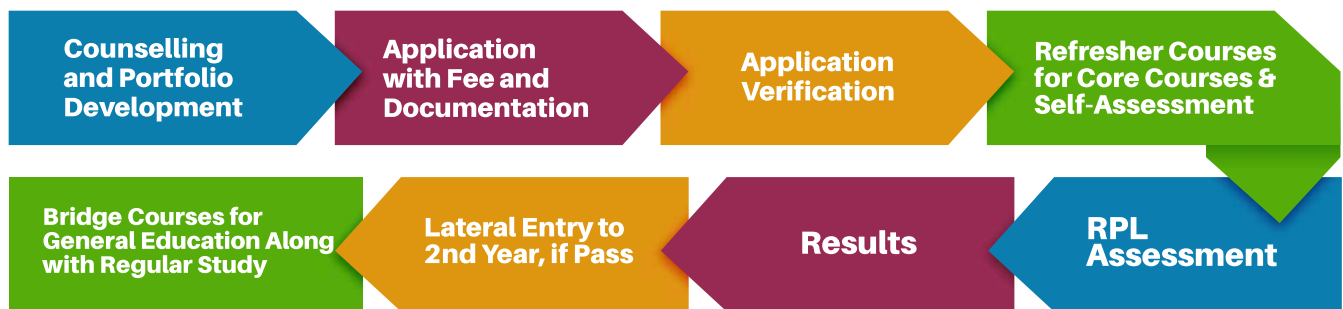

Lateral Entry

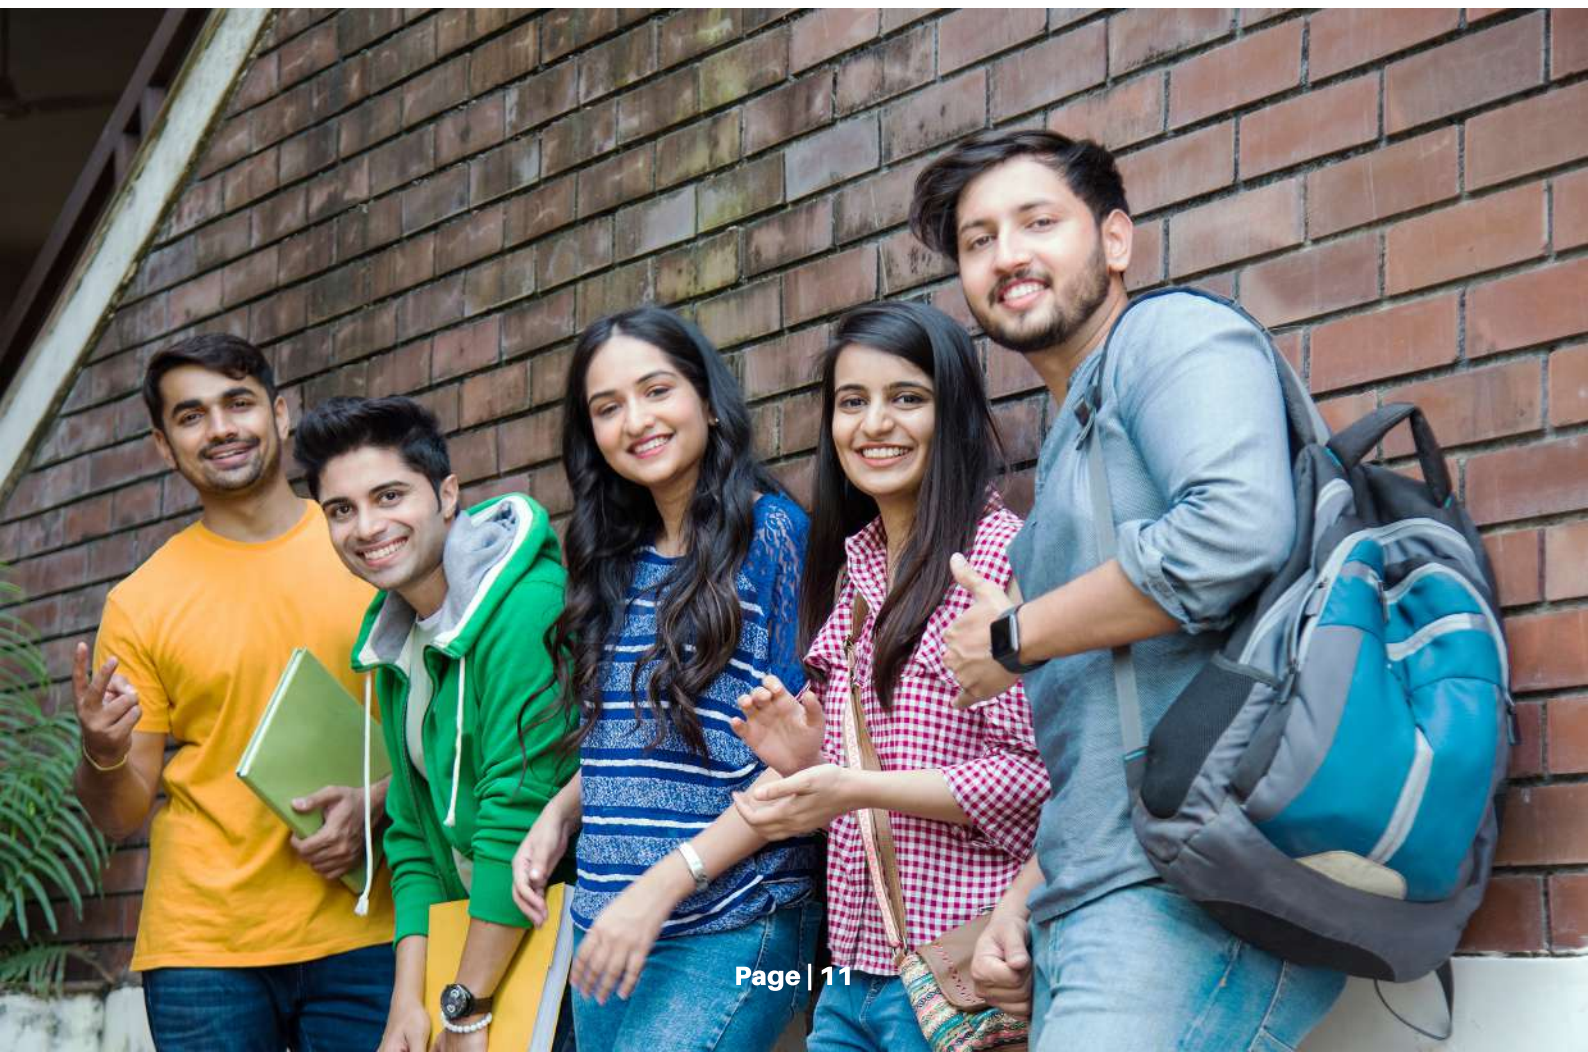

Eligibility

Basic Qualification	Relevant Work Experience	Entry to
12th Standard	3 Years of Relevant Experience	2nd Year of UG Program

RPL-integrated Lateral Entry Process

NOTE: Qualifying the RPL Assessment doesn't lead to the awarding of degree. As per guidelines of NCrF, it's only treated as a criterion to support the lateral entry to the Program, thereby reducing the overall duration of the Program.

Admission Procedure

Access to Admission Forms:

The application form with prospectus can be obtained by:

- Visiting any of MSU's Skills Academies or Orane centers in person.
- Connecting with the University through secured channels.
 - Students will get a link (apply.msu.edu.in/medhavi-wise) from branch for registration.
 - This link can be accessed through our website: www.msu.edu.in/ or our social media platforms.

Before filling up the admission form, candidates should be ready with the following docs:

- 1 Aadhaar Card**
(Mandatory)
- 2 Pan Card**
(Optional)
- 3 10th Admit Card**
(Optional)
- 4 10th Certificate/
Marksheet**
(Mandatory)
- 5 12th Certificate/
Marksheet**
(Mandatory)
- 6 Scanned Colour
Passport Photo**
(Mandatory)
- 7 Scanned
Signature**
(Mandatory)

After clicking the link, the candidates will see the registration page & they need to fill in all details and then click the "Apply now" option.

Admission Confirmation

- 1** The form details will be verified by the University admission team.
- 2** If there is any issue with the uploaded document then the candidate will be informed via email for re-uploading the particular document.
- 3** After verification if all the documents are right then an admission letter will be issued from the University.
- 4** Candidates will be informed via SMS or email to download the admission letter from the link.

Registration Number

The students admitted will be assigned a registration number. The registration number will remain the same until a student completes his/her program. Students should invariably quote their registration number in all their correspondences with the University. It will not be possible to attend to letters received without the registration number.

Filling in the Application Form

STAGE 1: Basic Details

- The information fields in the *basic details* stage have to be filled completely. The fields marked with '*' are mandatory fields.
- Here, it is mandatory to choose if you are a migration student or not. You need to choose YES, if you are seeking lateral entry to 2nd Year of B.Voc. or 2nd Year of M.Voc. courses.

STAGE 2: Family Details

STAGE 3: Address Details

STAGE 4: Academic Details

STAGE 5: Documents to be Uploaded

STAGE 6: Declaration

The candidate has to declare all the facts are true by clicking *continue*. By clicking on Continue, it will redirect you to the payment page for paying the registration fee.

STAGE 7: Payment

To complete the application process the candidate has to select the payment option. After clicking on *make payment*, students will be redirected to a page where they can make the payment.

- Students can click on the *Print Acknowledgment Receipt* to download their payment receipt.
- Students can click the *Print Application Form* to download their application form.
- Students will also be getting a text message on their mobile number which they have used during registration / while filling up the application form.
- After paying the registration fee they need to pay the admission fee by clicking the *Pay Fee* option from the student dashboard.

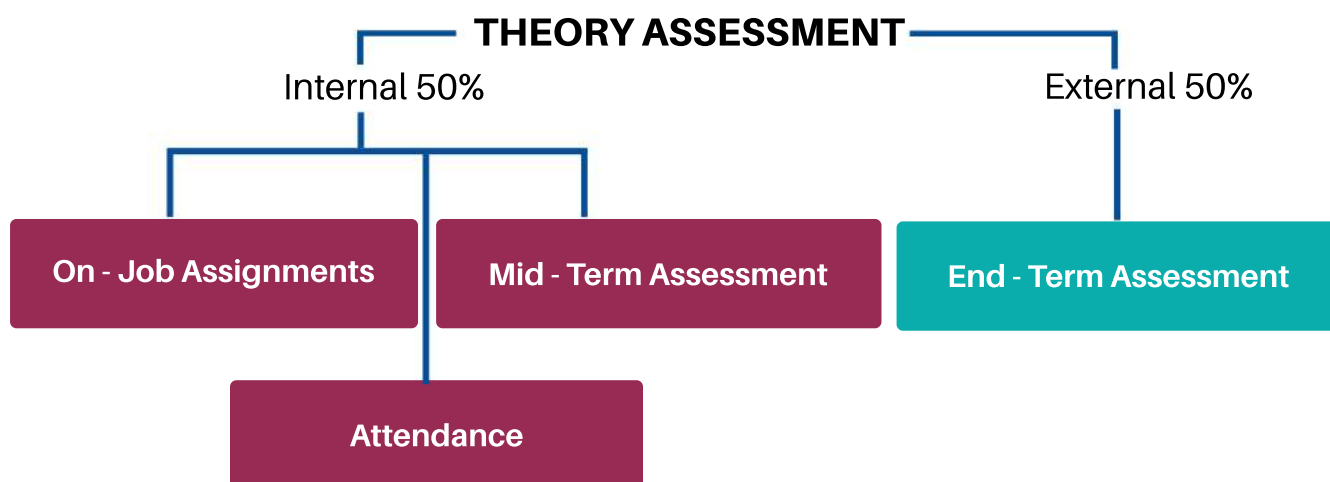

Assessments

Assessments will be in line with the UGC-recommended:

- Learning Outcome - Based Education (LOBE) model
- Continuous Assessment

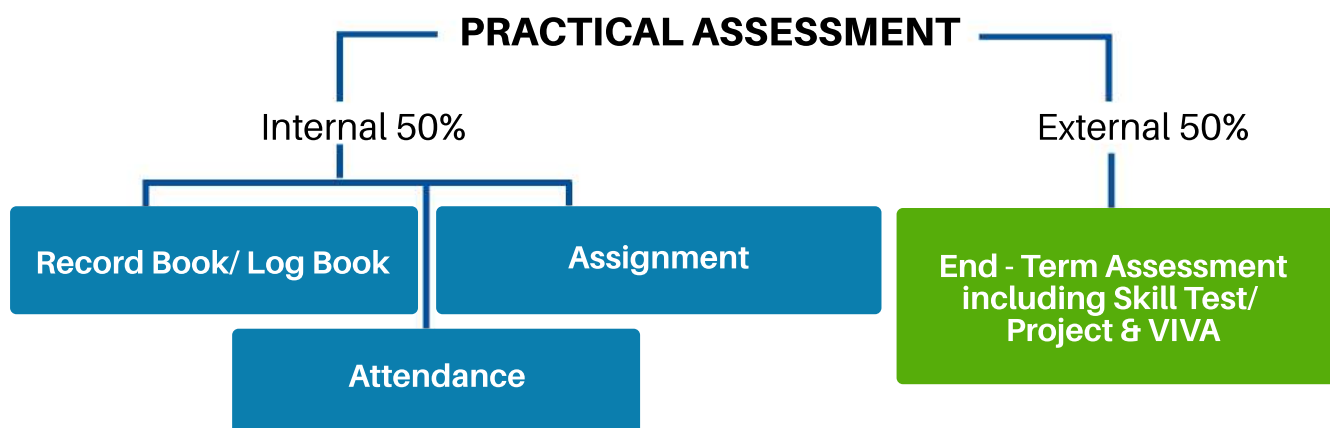

The theoretical assessment will be done through:

- Topic and module-level quizzes and assignments
- End - term assessment

The practical Assessment will be carried out through:

- Periodic evaluation of Record Book / Log Book / Portfolio
- End - term Assessment will be conducted through Skill Tests or Mini Project

Credit Point & Grade Point

The Semester Grade Point Average (SGPA) is computed from the grades as a measure of the student's performance in a given semester. The SGPA is based on the grades of the current semester, while the Cumulative GPA (CGPA) is based on the grades in all courses taken after joining the Program of study. The HEIs may also mention marks obtained in each course and a weighted average of marks based on marks obtained in all the semesters taken together for the benefit of students. When students take audit courses, they may be given a pass (P) or fail (F) grade without any credits.

Sl. No	Marks (out of 100)	Grade Point	Grade	Description
1	99 and above	10	O	Outstanding
2	90-98	9	A+	Excellent
3	80 -89	8	A	Very Good
4	70 - 79	7	B+	Good
5	60 - 69	6	B	Above Average
6	50 - 59	5	C	Average
7	40 - 49	4	P	Pass
8	Less than 40	0	F	Fail
9	-	0	Ab	Absent

Academic Bank of Credits

Academic Bank of Credits (ABC) refers to the system facilitated by UGC that allows students to accumulate and store academic credits earned from various educational experiences and institutions. These credits can typically be transferred and applied towards degree programs or certifications at other institutions. This makes it easier for individuals to continue their education or switch between educational institutions while maintaining progress towards their academic goals.

MSU has registered with the national platform and ensures all students have an account in the ABC and the credits earned by students during their course of study are duly updated.

SGPA & CGPA

The UGC recommends the following procedure to compute the Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA):

The SGPA is the ratio of the sum of the product of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits of all the courses undergone by a student, i.e.

$$\text{SGPA}(S_i) = \frac{\sum (C_i \times G_i)}{\sum C_i}$$

where C_i is the number of credits of the i^{th} course and G_i is the grade point scored by the student in the i^{th} course.

Example:

Semester	Course	Credit	Letter grade	Grade point	Credit point (Credit X Grade)
I	Course 1	3	A	8	3*8=24
I	Course 2	4	B+	7	4*7=28
I	Course 3	3	B	6	3*6=18
I	Course 4	3	O	10	3*10=30
I	Course 5	3	C	5	3*5=15
I	Course 6	4	B	6	4*6=24
20					139
SGPA					139/20=6.95

The Cumulative Grade Point Average (CGPA) is also calculated in the same manner taking into account all the courses undergone by a student over all the semesters of a Program, i.e.

$$\text{CGPA} = \frac{\sum (C_i \times S_i)}{\sum C_i}$$

where S_i is the SGPA of the i^{th} semester and C_i is the total number of credits in that semester.

Example:

Semester 1	Semester 2	Semester 3	Semester 4	Semester 5	Semester 6
Credit 21	Credit 22	Credit 25	Credit 26	Credit 26	Credit 25
SGPA: 6.9	SGPA: 7.8	SGPA: 5.6	SGPA: 6	SGPA: 6.3	SGPA: 8
CGPA=6.73					
(21*6.9+22*7.8+25*5.6+26*6.0+26*6.3+25*8.0)/145					

The SGPA and CGPA shall be rounded off to two decimal points and reported in the transcripts.
